Dear Friends from Grace Home

We are so happy to share again with you what is going on in India.

THE KIDS

Since July we have 3 new boys in Grace Home. They're visiting the government school in our village, one in the 3. And one in the 6. Standard. They're from very poor Families. They feel already home by us. Nagaraj, our oldest boy has completed this college and is working at present together with Anbu. He will do a further study, Bachelor in Arts, to become later on a Teacher.

Here are all our kids with Anbu. The two others are studying the 10th and 11th standard. Anbu is at present very busy, he has to renew the permission for the kid's home, and also license for the school. This is a very long process, and it needs a lot of patience. He already visited several times the office, many times without success. It's hard to Christian social Work in India, because the Indian Government wants to cancel all the Christian social work. But our God is stronger and we believe, he will help us to get the permission soon.

THE SCHOOL HOUSE

The school started in June, at present we got 80 Students from the age of 4 to 10 years. The principal lady is responsible for the school operation together with Anbu as the manager. The school starts morning 9 am with prayer, as the whole assembly, together. The principal lady is a christian, the other teachers not yet. We will seed the word of God to everyone, the students and the teachers. The

Christian values we like to share and teach. We are also so happy to have Muslim children in our school. In August, everyone celebrated the 75th Independence Day from England. This was a nice

fest, the kids came with colour traditional dresses. The classes are going well. At present there are 7 teachers, teaching in different subjects. At Lunch all

the kids are taking their own food with them, staying at the school at lunch.

Before the school house is now a playground the swing, and some more play tools will be there.

This pictures are making us so happy, to see how joyful the kids are. We like to see, God's love in their heard. Pleas pray, many more kids come to know Jesus Christ, and their families. The Schoolhouse is

finished, only the last level is in the interior work not fully done. But at present we don't need all the school rooms. Also, for the school, there are some more permissions needed, pray, soon we will get all

of them together and granted.

THE KIDS HOME

Here the interior work is still going on. A lot of workers are daily at the workplace. They're doing really good work, and the work is heavy. Every

material has to be carried. We are thankful for all the good workers over this many years. Soon we like to see the boys moving in. And this house will be a blessing for many poor kids.

MISSION WORK

We work together with local churches and pastors. Tears moved God. Prashanth Koli was severely beaten by his neighbour with an iron rod and shovel. He was injured on this head and fell down unconscious. Seeing this, his family members lost hope and were shouting and crying. The whole village gathered and took him to a hospital nearby. On the way, his mother and sister prayed for him with tears. At once, he felt someone hitting him on the chest and he came to consciousness. Our Lord answers the prayer with tears and gave him life. Even the doctors could not believe their eye. He

took treatment for 2 weeks, and then was discharged from the hospital. All glory and honor belongs to our God almighty. By the other hand, the persecution take also daily place, as a family in a neighbour village. They have been isolated from the rest of the villagers. The opposite guys decided to chase our evangelist family out of the village because they felt that many were turning to Christ because of them. The people who opposed the Christians in this place also stolen the church elder's sheep. Every day they are creating tension. However this Christians, are saying, "Nothing will stop us from following Christ." Praise God, for such great faith among the believers and let us continue to uphold the in our prayers.

Blessed is the man who perseveres und trial, because when he has stood the test, he will receive the crown of life that God has promises to those who love him. James 1:12
